

## ILLAWARRA FLY FISHERS' CLUB - APRIL MEETING (CANCELLED)

Dear Member of the Illawarra Fly Fishers' Club,  
Given the volume of press and high level information being released by the Federal and State Governments and its Agencies regarding the COVID-19 virus, as a community we are now more informed of the potential impact of the virus on our personal health and the manner in which we will undertake our everyday life in the near future and potentially beyond. With respect to IFFC activities, some members may, quite understandably, be concerned at attending a meeting or an activity where a number of people/ members are in close proximity to each other, particularly where those activities are located within an enclosed space such as that at Collegians Club.

Whilst at the time of writing Collegians Club has advised its members that it will continue to operate, implementing a concerted and continuing disinfection regime throughout the building, the IFFC management committee has elected to **CANCEL** the **April club meeting** that is scheduled for Tuesday, April 7; a further decision regarding the May meeting will be made in April and advice issued accordingly.

With respect to other forthcoming club activities:

1. we propose to hold our monthly **casting workshop** at Towradgi, scheduled for Sunday, April 12, noting that the date is Easter Sunday; and
2. we propose to postpone the day saltwater trip to Windang **FROM** Sunday, April 5, **TO** Sunday, April 26 - further details and advice will be provided beforehand.

Notwithstanding the above, we will endeavour to issue the monthly newsletter - if you have any fishing reports, please forward those to Robin at [robin0857@hotmail.com](mailto:robin0857@hotmail.com) for inclusion.

Regards,

Neil Nelson  
President
